Step into my bedroom.  
Turn the lights down.  
Slip into your perfume and your nightgown.  
Easy with the cat's eye...easy cat's eye!

You don't need to explain your desire.  
Where you found the champagne (fuel the fire) or your  
little cat's eye.

She's around me.  
She surrounds me.  
She's about to steal a little kiss...cat's eye!

Slip into your nightgown in my bedroom.  
Why not let your hair down?  
Turn the lights out.  
Easy with the cat's eye...easy cat's eye!

Where about your bedroom?  
Turn the lights on.  
Do you hide your perfume and your nightgown and  
your  
little cat's eye!

She's around me.  
She surrounds me.  
She's about to steal a little kiss...cat's eye!

Shake! Shake!  
Sweat! Sweat!  
Show me! Show me!  
Shake! Shake!  
Sweat! Sweat!  
Move me! Move me!  
Shake! Shake!  
Sweat! Sweat!  
Hold me! Hold me!

She's around me.  
She surrounds me.  
She's about to steal a little kiss...cat's eye!
