Fit for a King

Secrets, Iâ'm rich in secrets.
I will share them all if you stay.
Ages, one for the ages.
You will find so much more if you stay.

I was a fool before laying eyes on you.
Iâ'm a fool no more.

I will rise and I will fall but I shall soon be fit for
king.

Secrets, so rich in secrets.
I will bathe you in awe just to praise.
Ages, one for the ages.
We shall wed through the fields to our name.

I was a fool before laying eyes on you.
Iâ'm a fool no more.

I will rise and I will fall but I shall soon be fit for
king.

I was a fool before laying eyes on you.
Iâ'm a fool no more.

You may think what for.
You may ask what for.
Tis you I ask for.
Iâ'm a fool no more.
Tis you I ask for.
Iâ'm a fool no more.

I will rise and I will fall but I shall soon be fit for
king.
