Janna

You should meet the Tavernâ's son.
He seduces yet regrets.
You should meet that bastard son when your daughter
is
upset.

Janna!

Inside your heart Iâ'll hide my gun.
Inside your mind Iâ'll find your love.

You should see her hazel eyes when they water they
repent.
You should hear her motherâ's cries when her
daughter is
upset.

Janna!

Inside your heart Iâ'll hide my gun.
Inside your mind Iâ'll find your love.

Janna, whatâ's wrong Janna?
Janna, Iâ'm right here Janna.

Inside your heart Iâ'll hide my gun.
Inside youâ're mine. Iâ'll find your love.
