That's my baby in the white boots....That's my baby on  
the floor

That's my baby havin' some fun....And yellin' more,  
more, more

That's my baby in the short skirt....Woo, out of control  
Ah she becomes another woman....When she rocks and  
rolls

She's having a good time....Goin' round and round  
She's really rippin' it up....You know she can't sit down,  
oh no

That's my baby lookin' so good....You know I can't  
explain  
How when she's dancing in the white boots....It makes  
her go insane

She's having a good time....Goin' round and round  
She's really rippin' it up....You know she can't sit down,  
oh no

That's my baby in the short skirt  
With the white boots on

That's my baby in the white boots....That's my baby on  
the floor  
That's my baby havin' some fun....And yellin' more,  
more, more

She's having a good time....Goin' round and round  
She's really rippin' it up....You know she can't sit down,  
oh no

That's my baby in the short skirt  
With the white boots on

With the white boots on  
In the short skirt  
With the white boots on

Can't explain....You know I can't explain

How when she's dancing in the white boots....It makes  
me go insane

White boots, white boots  
White boots, white boots
