I've got a splitting headache  
(2 aspirin for the pain)  
A roving wagon rolling  
(Like a freight train)  
Another darkest day  
(Always in harms way)  
Got a new brew sweating  
Beaten by the bottle

So beautiful and so strange  
Scatter all the pieces  
The puzzle will remain the same  
So hideous, so deranged  
Crawling rgeough the tunnels  
Lost inside the pain

Tremble like an earthquake  
(Weight shifts inside me)  
The crucifix I'm dragging  
(Nailed to the hard way)  
They wont forget me  
(The walls are bloodstained)  
As my will unravels  
Broken like a bottle

So beautiful and so strange  
Dropping little pebbles  
Lost inside of this head space  
So hideous so deranged  
Winding through the tunnels  
Lost inside of

Lost inside of me  
Lost inside of me

You stole the matches  
You lit the fuse  
You let the boiler swell  
I tied the noose on you

So beautiful and so strange  
Scatter all the pieces

The puzzle will remain the same  
So hideous, so deranged  
Crawling through the tunnels  
Lost inside the pain

So beautiful  
(You are beautiful)  
And so strange  
(But not as strange as me)  
So hideous  
(Like the force inside me)  
So deranged  
Locked inside my game

Lost inside of me  
Lost inside of  
Lost inside of me  
Lost inside of
