Leaders are guilty of nothing
They're perfectly insane
But if they'd point the finger at themselves
Who would be left to blame

Lead into grace
Lead to corruption
Ini-Mini-Miny-Mo
A truth or lie has to be spoken
Ini-Mini-Miny-Mo
King or con has to be chosen
Ini-Mini-Miny-Mo
Way of life complete or broken...broken

Choices
No more...choices
No more...choices
No more...choices

Leaders are guilty of nothing
They're perfectly insane
But if they'd point the finger at themselves
Who would be left to blame

Follow truth or stutter through a lie
Ini-Mini-Miny-Mo
Will to push or give up and fall behind
Ini-Mini-Miny-Mo
Live with peace or nurture your tragic life
Ini-Mini-Miny-Mo
Bite the bullet or swallow it whole

Leaders are guilty of nothing
They're perfectly insane
But if they'd point the finger at themselves
Who would be left to blame
Point the finger at yourself

There's no choice
Anymore anyway...

We don't have a choice

Anymore anyway
We don't have a voice
Anymore Anyway

There's no choice in freedom
There's no voice in freedom
We don't have a choice

Anymore anyway
We don't have a voice
Anymore anyway
There's no choice in freedom
There's no voice in freedom

Leaders are guilty of nothing
They're perfectly insane
But if they'd point the finger at themselves
Who would be left to blame

They're lost system of destruction
Flush all hope down the drain
But if they'd point the finger at themselves
Who is left to blame
Who is left to blame

We don't have a choice
Anymore anyway
We don't have a voice
Anymore anyway
There's no choice in freedom
There's no voice in freedom
We don't have a choice
Anymore anyway
We don't have a voice
Anymore anyway

There's no choice in freedom
There's no voice in freedom
We don't have a choice
Anymore anyway
We don't have a voice
Anymore anyway

We don't have a reason
Anymore anyway
We don't have control
Anymore anyway
We don't have opinions
Anymore anyway

There's no choice in freedom

There's no voice in freedom

Freedom, buy in
Freedom, sell out
Freedom, betray
Freedom, lay down
Freedom, corrupt
Freedom, opinion
Freedom, give up
Freedom, give in
