I don't feel good
Just an ordinary day
I don't care much
About what you think

It all washes away
In the end
Under sky's so gray
In the end, were all

Dead Inside, can't Deny
What is real, the pain I feel
Dead Inside, can't Deny
Always suffering
It's just my way

I've seen enough
No more hurt today
All damage is done
No more life this way

It all washes away
In the end
Under sky's so gray
In the end, were all

Dead Inside, can't Deny
What is real, the pain I feel
Dead Inside, can't Deny
Always suffering, yeah

Every single one, from every single way
All they do is drag me down
And I know it will never change
Every drop of blood, flows right down the drain
Although I spilt it all for you, you never appreciate
You Never Appreciate!
Were All

Dead Inside, can't Deny
What is real, the pain I feel
Dead Inside, can't Deny

Always suffering, it's just my way

Dead Inside(inside), can't Deny

What is real(what is real), this pain I feel(the pain I feel)

Dead Inside(dead inside), can't Deny

Always Suffering

It's just my way
