In this hole
That is me
The dead are rolling over
In this hole
Thickening
Dirt shoveled over shoulders

I feel it in me
So overwhelmed
All this pressure center rising
My life over turned
Unfair the despair
All these scars keep ripping open

Peel me from the skin
Tear me from the rind
Does it make you happy now?

Tear meat from the bone
Tear me from myself
Are you feeling happy now?

In this hole
That is me
A life that's growing feeble
In this hole
So limiting
The sun has set all darkness

Buried underneath
Hands slipped off the wheel
Internal pathway to contention

Peel me from the skin
Tear me from the rind
Does it make you happy now?

Tear meat from the bone
Tear me from myself
Are you feeling happy now?

Are you

HAPPY

Are you
HAPPY

Are you feeling happy now?

In this hole
That is me
Left with a heart exhausted
What's my release?
What sets me free?
Do you pull me up just to push me down again?

Peel me from the skin
Tear me from the rind
Does it make you happy now?

Tear meat from the bone
Tear me from myself
Are you feeling happy now?

Peel me from the skiiiiiiiiin
Peel me from the skiiiiiiiiin
Tear me from the rind
Does it make you happy now?

Tear meat from the boooooooooone
Tear me from myself
Are you feeling happy?

Does it make you happy?
Are you feeling happy?
Are you fucking happy?
Now that I'm lost left with nothing

Does it make you happy?
Are you feeling happy?
Are you fucking happy?
Now that I'm lost left with nothing
