I am the plague, I am the rot  
I am the bitterness.  
I am the war, I am the death,  
I am the crucifix.  
I am the sacrifice at the end,  
I am the fall of man.  
I am apocalypse, I'm the debt list,  
I'm your last breathe.  
I am sin.  
I am dancin'.

/chorus/

I can't wait until it's over.  
All done and gone.  
I can't wait to lose it all, fuck it all.  
Fuck you all. There's nothing left anyway.

They say that dead men don't pull triggers,  
well prove 'em wrong.

I am catastrophe, I'm conflict,  
I am warfare.  
I am fatality, I am the wound that's in your head.  
I am the dark, I am the fear,  
I am the orphan lamb.  
I am anxiety, I am the grave,  
I am nothingness.  
I am hate. I am lost faith.

/chorus/

I'M EMPTY!
