I got my green eye
I got my glass eye
I got my thunder
and it's rolling straight up inside

She's got the real shit
Give me a facelift
We got this spaceship
and we're shoving up in the sky

Into the sun
return us nothing (2x)

I got machine guns
And yes they're lots of fun
We got some bullets
and we're mowing everybody down

I got my blue skin
And eat my dinner its in
I got my torso
and I'm all shook up INSIDE

Into the Sun
Return us nothing 2x

Into the Sun
(INTO THE SUN)
Return us nothing
(RETURN US NOTHING) 2x

My mother said that we're all angels
But I swear
I saw the evil
Evil that bleeds from the sky
From the sky
(FROM THE SKY)
From the sky
(FROM THE SKY)

So I can't help you now
You save it for yourself

I can't solve everything
So you can see it when you wake up
You know
there is
Nothing left to save so
Fuck you
Fuck her, Fuck him
FUCK!

(They'll kill everyone we got to stop them!)
OFF
INTO THE SUN
RETURN AS NOTHING 4x

(We'll spread to every continent and devour every
living thing on Earth)

INTO THE SUN
RETURN AS NOTHING 2x

INTO THE SUN!!
