Like a worm boring through cinders and rock and ash I
think I need a broom
To sweep away the day cleanse us of the shame
we're in I'm in

Like a stray with the mange runs and lies and man I
think I need to bathe to wash away the day

cleanse us of the past and rid the taste

chorus:

You keep leading me you keep driving me you keep
pushing me out to pasture
to graze Cant keep strangling cant keep ignoring me
cant keep judging me climbing
a clock tower you keep telling us
u keep shoving us you keep forcing us out to pasture to
graze
you stopped listening you stopped listening you
stopped hearing me
so im lonely by gone

like a bum sifting through dumpsters and garbage and
trash I think I need some food ive starved away all day

cleanse us of the hunger we're in im in like a snake
sliding through sand and dirt and desert I think I need
a tomb

to blacken out the day peel me from the sun and keep
me in my place

chorus:

u keep leading me you keep driving me you keep
pushing me out to pasture to graze

cant keep strangling cant keep ignoring me cant keep
judging me climbing a clock tower
you keep telling us u keep shoving us you keep forcing
us out to pasture to
graze you stopped listening you stopped listening you
stopped hearing me

so im lonely by gone

it seems to me there are so many things they don't
want to share now doesn't that seem strange it seems
to me

its all for one but doesn't it seem strange that no ones
for none not you not me no one and doesn't it seem
strange that

we don't know a thing doesn't it feel the same as the
cattle out to graze don't you think its strange that we
cant find our

way don't you feel the same doesn't it seem strange
that we don't know a thing doesn't it feel the same
as the cattle

out to graze don't you think its strange that we cant
find our way don't you feel the same

chorus
