Bring the alien

Does your God come in a capsule to sedate you?
Tear the walls down, headless prison
Cannibals chew to consume you
Bring the alien

Does your God come in a capsule to sedate you?
Tear the walls down, headless prison
Cannibals chew to consume you
Kill the alien
Kill the alien
Kill your alien
Kill your alien

You can't kill me
I'm already dead
Inside my hole
Inside my head

We just beg for any way, to be sedated
It's all about escapin'
Numb to me
Body from this hell

I can feel them pushing, I can feel them pulling
I can feel them holding, I can feel them moving
I can feel them prying, I can feel them prodding
I can feel them breathing, I can feel them digging
I can feel them stabbing, I can feel them scoping
I can feel them living, I can feel it

Consume, take in
Plunging, plumbing
Instruments prying
Aliens inside me
Tooling the machine
Intoxicating
Feel it unfolding
Riddles in me

(It's all about escaping)
We just beg for any way to get away
(Who do you bow down to?)
Does your God come in a capsule or on a plate?
(Trying to sedate you)
Swallow self and bring on the alien
(You tried to kill me)

I'm already dead to this world
I'm already dead to this world
I'm already dead to this world
