The heart is beating
But the soul has died
The body's breathing
Beneath catatonic eyes
The blood is flowing
Set it free for tonight
I've lost my balance
But god knows I've tried

I don't wanna be here anymore in scarlet letters
Got to do, what once was me, once was yours, no more

An up hill battle
I fail to climb
Left it all now
And I don't mind
The train is broken
Consumed by the light
Farewell to you all
I'll be fine, goodbye

I don't wanna be here anymore in scarlet letters
Got to do, what once was me, once was yours, no more
I don't wanna be here anymore the scarlet letter
Turn into, a piece of me, the piece in you, no more

Do you believe in loss?
Do you believe in faith?
Do you believe in death?
Now that I'm a ghost

Forsaken me
Ashes to dust
Just let me lie
Lay me to rest
I've done my best
But lost my sight
Turning my back
Leave me alone
Let spirits rise
Knives in my back
All hope is lost

Say goodbye

I don't wanna be here anymore in scarlet letters
Got to do, what once was me, once was yours, no more

I don't want to be here anymore
I don't want to be here anymore in scarlet letters

Carved into
What once was me
Once was yours
No more
