Ever feel like dieing,  
Ever feel alone,  
Ever feel like crying,  
Lost child in a store,  
Ever feel life pushing,  
Shoving you away,  
Ever feel like breaking down,  
Funeral in the rain

Feel like slipping away,  
Stand in the corner and scream with me,  
A body full of empty,  
A head thats full of rage,  
Better belive it,  
Stand in the closet and scream with me  
A mind thats like a fire,  
Drivin by the pain,  
Better believe it

Ever feel like lieing,  
Down inside a grave,  
Listen to the eulegy,  
A buyer of the hate,  
Ever dance beside the devil,  
Taste the barrel of a guage,  
Ever pull the trigger,  
The light begins to fade,

Feel like slipping away  
Stand in the corner and scream with me,  
A body full of empty,  
A head thats full of rage,  
Better belive it,

Stand in the closet and scream with me  
A mind thats like a fire,  
Drivin by the pain,  
Better believe it

I've asked you for forgiveness,  
I've asked you for your grace,  
I've asked you for your blessing,

I've asked that I be saved,

Stand in the corner and scream with me,  
A body full of empty,  
A head thats full of rage,  
Better belive it,

Stand in the corner and scream with me,  
A body full of empty,  
A head thats full of rage,  
Better belive it,  
Stand in the closet and scream with me  
A mind thats like a fire,  
Drivin by the pain,  
Better believe it

Stand in the corner and scream with me,  
A body full of empty,  
A head thats full of rage,  
Better belive it  
Drivin by the pain,  
Better believe it
