Mirror, mirror, upon the wall
I'm asking you, "Who is the most confused of them
all?"
Mirror, mirror, subservient twin
Screams back at me, you, you sick, flawless mind
I wanna break you

Yeah, you're a clever one

Do you reflect me or do I reflect you?
Are you inside of another world?
I wanna break through

Yeah, you're a clever one

Is this a tool?
And I'm not through
To find another plane, I'm just a shadow of a man
Superficial tool
To suppress your vanity of weak
When you don't love yourself

If this is made for all your sign
I'll break your existence and cut through mine

Yeah, you're a clever one

Are you a tool?
And it's not through
To find another plane, I'm just a shadow of a man
Are you my brother or you look like me?
Trapped inside another world
My lost twin

Just a superficial tool
Just a fucked up entity
When you only love yourself

Mirror upon the wall, am I a reflection of you?
Mirror upon the wall, are you staring back?

Understanding as a place within my world

On this side

Are you a fool?
And it's not through
To find another plane, I'm just a shadow of a man
Are you my brother or you look like me?
Trapped inside another world
My lost twin

Are you a tool?
'Cause that's just true
To find another plane, I'm just a shadow of a man
Just a superficial tool, just a fucked up entity
We, we carry on ourselves
