Do I deserve these beatings?  
Hating me,  
well then,  
Cut, cut the noose  
and let me fall away...  
I'm, growing weak and tired  
of you  
and your little shoving games  
fucking...  
pushing me.  
You pulled the trigger,  
trapped in,  
the wake,  
of your

Dream  
You're all killers.  
Always fucking pushing me;  
insulting me;  
I've overcome;  
I have found the strength of gods in me.  
Crushing  
All unwilling;  
This is so unstoppable.  
Hard as nails,  
hook that holds,  
reach down and find the strength of many in you.

My sanctuary...  
calling my name,  
so I run through...  
to the light,  
weeping through a cloud.  
Darkened,  
by a tainted dream,  
of me,  
being pummeled by the tide,  
crushing,  
killing me  
But I can't wake up,  
trapped in,  
the wake of a

Dream  
You're all killers.  
Always fucking pushing me;  
insulting me;  
I've overcome;  
I have found the strength of gods in me.  
Crushing  
All unwilling;  
This is so unstoppable.  
Hard as nails,  
hook that holds,

reach down and find the strength of many in you.

Call it;  
call a truce.  
I'm believing  
in it more and more.  
Comfort;  
purge the truth, I'll believe it.  
I'm so weak and sore, shadowed  
Hide and seek,  
but you never looked.  
I wait behind the door  
call out;  
bite the hand that is feeding...  
Compassion no more.

I hope I never wake up.

Dream-sewing, filters, distort reality of what is mine  
through light this mind awakens  
I draw the line from then and now, awake and  
dreaming, forgotten past future becomes mine.

Throw the chains,  
all away,  
take control,  
of your life.  
Powers known,  
this is my...  
Throw the chains,  
all away,  
take control,  
of your life.  
Powers known,  
this is my...

Dream  
You're all killers.

Always fucking pushing me;  
insulting me;  
I've overcome;  
I have found the strength of gods in me.  
Crushing  
All unwilling;  
This is so unstoppable.  
Hard as nails,  
hook that holds,  
reach down and find the strength of many in you.
