Misery through each breath of life
Sensory perceptions plight
Visualize what will be the same
Desperation's greetings of pain
Not the Sun but the act of the rise
Reaction and the hopeless demise
Uncontrolled fits of Torment
Uncontrolled levels of Terror
Uncontrolled moments of Torture
Uncontrolled visions of Forfeit

Temples Pulsing
Eyes are Burning
Skin is Peeling
Allergicide
Prayer just to die
Blackened Vision
Organs Twisting
Thoughts are Shifting
Allergicide
Prayer just to die

Medication

Meditation
Full Sedation
Allergicide
Prayer just to die

Bodily Rejectionization
Clinically not worthy of saving
Cast aside a mistake in the plans
Override the process again
Searching for the Antidote
To control absurdity
Inability to survive the painful day
Searching for the Antidote
To control absurdity
Inability to survive the painful day
Searching for the Antidote
To control absurdity
Inability to survive the painful day

Inability to survive the day
Inability to survive the Fucking day
