Cerebellion
Damaged Matter
Pressurized from inside
Cannot control my own mind
Questions the visions that be
Undetermined Depravity

Chemically Unbalanced for Mankind
Hard to see through the veil of voices
Injuries to society
Vacuumized Forever
Illusive concentrated rage
Overlooked sub-reality
Painful freezer like domain
Defenseless Mediocrity
Seeing Danger
Fears Creator
Shaken by the unknown
Guided through the valley alone
Wave lengths of jagged rusty sludge

Melt down within the Cranium

Chemically Unbalanced for Mankind
Hard to see through the veil of voices
Injuries to society
Vacuumized Forever and Ever
Strangers at every searing glance
Every avenue a darker path
Once immune to the rotting loathe
Trapped within the Schizophrenic show
Adrenalized
Satisfied Urge

Chemically Unbalanced for Mankind
Hard to see through the veil of voices
Injuries to myself and me
Vacuumized Forever and Ever on
