Killing for pleasure
Enjoying the pain
No one to answer
No one to blame
Enticing the masses
Denying the claims
Yesterday's liars
Shame of today
Unify greed and conquer them all
Never a break in the storming Onslaught
Unstoppable force slighting the meek
Sensing revolt and limit the reach
Attacking the innocent with no reprieve
Treating the acts and thoughts as disease
Forever claiming that wars on the eve
Cancerous take over conquering the show
Intruding invading so undisclosed
Assuming the masses will never know
Deceiving the voices dishonor and fight
Create a facade solid with lies
Liberties are weak and thin
Abusement by leadership
Willingness to avoid
Standards that are now destroyed

Libelous through the deeds
Ingenius loop holed free
Extradite and false contract
Security is under attack
Broken Down
Worn Away
Trapped within the cycle of time
Unheard
Overtrolled
Suppression of wills is a crime
Convening behind the backs and the sweat
On going silence is all that she'll get
Numbers increasing so vile and large
Samples of knowledge so vague and so broad
Pleasantly smiling insisting on calm
Infallible schemes no evidence drawn
Replenish the faith by righting a wrong

Expecting the shallow to follow and bow
Broken Down
Torn Away
Trapped within the cycle of time
Underheard
Overtrolled
Suppression of wills is a crime
