Devastation  
As far as the eye can see  
Mutilation  
All horrors beyond belief  
Human carnage  
Torn flesh against machine  
Orders of Death  
Fatalities  
Trophies of the Power Mad  
Ancient Landmarks  
Reduced to nothingness  
Atrocities  
A daily part of dying  
Conquest of Death  
Conquer all the land  
For his own  
Warlords for the King  
And his throne  
Those who do long for that World Peace  
They must Prepare  
Prepare for War  
Those who do long for that World Peace  
They must Prepare  
Prepare for War  
Calculation  
Erasure of a weaker kind  
Termination  
Is all their is to offer  
Propaganda  
Heading to the slaughter  
Forces of War  
Patriotic  
Thoughts and deeds forgotten  
Faceless numbers  
Pushed aside forever  
Warlord hero  
Fill the streets and alleyways  
Forced out by War

Since the regurgitation of life on Earth  
The quest for power, pain and total worth  
Battles with sticks and stone, flesh, and bone

All seeks the common goal to possess the World  
Prepare For War  
Atrocities  
A daily part of dying  
Ancient Landmarks  
Reduced to nothingness  
Fatalities  
Trophies of the Power Mad  
Orders of Death  
Human carnage  
Torn flesh against machine  
Mutilation  
All horrors beyond belief  
Devastation  
As far as the eye can see  
Orders of Death  
Those who do long for that World Peace  
They must Prepare  
Prepare for War  
Those who do long for that World Peace  
They must Prepare  
Prepare for War  
Those who do long for that World Peace  
They must Prepare  
Prepare for War  
Prepare for War, Prepare for War  
Prepare for War, Prepare for War  
PREPARE FOR WAR
