(m: d.lombardo/ sorychta; t: boa)

Violent baby, ruthless pig  
Rubenesque monster  
Eternal beyondster hipster, I am  
Breed of the bad  
Hipster-monster born bad, I was  
And my mother was not sad  
When she said  
This one's born bad  
Bad! Born bad and sliced!  
All my bringing up  
And growing tall  
Was verging on the ridiculous  
In a setting close to nought

And under the Christmas-tree  
I ended up as decoration  
My heart was sliced  
My home is in pieces  
Now I'm always cruel  
And never fair  
Ruthless pig and sliced to pieces  
My heart relieved  
And shivered in circles  
A self-pity mankind I am  
Makes my energy high  
It will smash you to pieces  
Born bad
