This is the song about YOU  
OU ARE what you are. YOU ARE what YOU are.  
YOU ARE rich by what YOU are. YOU - is it never  
enough?  
How do YOU feel?  
About poverty and misery life - is it never too rich?  
And YOU, the mother of altruism come lend me your  
hand dream on your crazy storyboard.  
I wish You all the best, forever..but leave me alone, for  
now  
Or...hey-stop! Lick my wounds let's talk  
and play the visionaire instead of a daily monopoly.

Let's share and help and run for others...  
but very soon someone will let YOU down. I better stop  
the marathon of life  
YOU let me down - YOU maniac!  
Now I have enough, liar - I'm superior, I'm angry pitbull  
called kid  
I write my own law, want oral sex all the time.  
You, egomania, I feel YOU...YOU're coming, YOU come  
- I feel YOU hard!  
YOU bastard.
