Any other time of day
I would ever walk away
From you 'cause you haven't got a clue
When you always come around
I know that I maybe sound stupid
But I want to step on you

If you say another word to me
I'll make you sorry that you ever came my way
Another day
Another day

Yeah
If you want to be with me
Think of all my privacy
I'd appreciate you when you're gone
Doing everything I do
I wish I was rid of you
But you stay around me for too long
I know that you'll be here for a long time now
If I don't make you gone, you're gonna stay

Another day
Another day
Another day
Another day
If you say another word to me
I'll make you sorry that you ever came my way

Another day
Another day
Another day
Another day
Another day
Another day
Another day
Another day
