Out of it and out of time
And out of everything
I can't believe it's true
And I can't believe I can't believe in you

You've gone away
And I am already looking for a way
And I know that I can't
Waste another day

Is it all okay? Is it all okay?
Is it all okay? Is it all okay?

Give it all or go away
I gave it everything I had
I'm feeling free
And I'm happy now I'm really gonna be

I'm feeling great
Maybe all my memories will go away
And now maybe I can face
Another day

Is it all okay?

Do me right, boy, I never felt so bad
You think you're great, boy
But now it makes me sick to think
About the words you spoke
Through your old wicked face

Is it all okay?

Is it all okay or not?
