When I do everything for you  
And you say that you want it too  
I miss the point completely  
And you don't understand

Then I completely get all mad  
And look the part and treat you bad  
I've more fun laying on a bed of roses

Oh boy, I now can hardly wait  
Do everything so you can hate  
Behind my back and evil  
And I don't understand

Again, I should be telling you  
I'll do what I'm supposed to do  
I've more fun laying on a bed of roses

There'll be no next time now  
I've seen the light, oh yeah  
There'll be no next time now  
La, la, la, da, da, da, whoa

Then I completely get all mad  
And look the part and treat you bad  
I've more fun laying on a bed of roses  
I've more fun laying on a bed of roses  
I've more fun laying on a bed of roses, whoa
