My eyes are complaining
The one I see is you
Maybe if I poke them out
Then I won't be so blue

I can hardly stand it
And maybe if I scream
Only when I'm slowly running
In my awful dream

Boy meets girl and often
They do not agree
But they go ahead and marry
who could be less free

I am not complaining
Me I'm just a freak
Only when I'm slowly running
In my awful dream
And when I wake up on the other side
I'll tell everyone
A secret cannot hide

[solo]

I am not complaining
And maybe if I scream

Only when I'm slowly running
In my awful dream [3x]
