Doing everything I can
And I'm feeling okay, oh yeah
But whenever you are near
I want to run away, oh yeah

Whenever I come alive
It seems that you are dead
Could you ever take the time
And be a man and say?

You are not like me
You are not like me
You are not like me
You are not like me

And if you should ever go
Away another day, oh yeah
There might be a world of me
And I won't be afraid, oh yeah

Doing the impossible
Where I could never win
And I know what you're thinking
In the answer you bring

You are not like me
You are not like me
You are not like me
You are not like me

Doing everything I can
And I'm feeling okay, oh yeah
But whenever you are near
I want to run away, oh yeah

Whenever I come alive
It seems that you are dead
Could you ever take the time
And be a man and say?

You are not like me
You are not like me

You are not like me
You are not like me

You are not like me
Me, me, me, me, me, me, yeah
Me, me, me, me, me, me, yeah, oh
