You and I are different  
And I know why  
You are not completely there  
And you wonder why you don't cry

If you open up you'll see  
It's a new life  
Wonder why, you wonder why  
You're numb

I never liked to think or feel  
So you don't now  
Never missed a thing you think  
But you wonder why you're not happy

If you open up you'll see  
It's a new life  
Wonder why, you wonder why  
You're numb

Until you hate you will never know  
What love is  
Until that day you will never feel  
A thing, yeah

If you open up you'll see  
It's a new life  
Wonder why, you wonder why  
You're numb

You wonder why, you wonder why  
You're numb  
You wonder why, you wonder why  
You're numb, you're numb
