Hey, everybody listen to me
Listen to me, listen to me
Hey, everybody listen to me

And I won't come out to play
I won't come out to play

Hey, everybody do it to me
Do it to me, do it to me
Hey, everybody do it to me

And I won't come out to play
I won't come out to play

Help me
I think I'm quite a bit weathered
Maybe
I'll finally disappear, it may take forever

I want
To look a little bit clearer
But your
Exaggeration clouds up my mirror

Hey, everybody listen to me
Listen to me, listen to me
Hey, everybody listen to me

And I won't come out to play
I won't come out to play
I won't come out to play
I won't come out to play
