

Vermin "Bloodlust"

Visit "[Bloodlust](#)" on MotoLyrics.com

Abused and torn apart
Your soul is suffering
Can not deal with the pain you carry inside
Emotions overflow
Take away this illusion

The darkness inside
Inside a human mind
Twisted and disordered
Mentally murdered

Imaginations
Becomes reality

A horrid creation
Of a sick society

A morbid craving obnoxious and disgusting
Is growing stronger as the blood is running red
The passion is complete when the blood runs red

Driven by bloodlust
To please the demons inside.
