When I take a walk right through this place I see the  
light of love shining on my face,  
I see a movement of heavenly hosts; must be the  
presence of the Holy Ghost.

The presence of an uncompromised love coming down  
around me. (the power of love)

It's not the people, (the power of love)  
It's not the place, (the power of love)  
It must be the power. (the power of love)

Getting under my skin, (getting under my skin)  
Under my skin, (that power of love getting under my  
skin)  
Under my skin.

One more second and I'm on my knees,  
It's coming alive inside of me,  
Spirit of the living God coming down to right my wrong,  
What was there one moment now is gone.

The presence of an uncompromised love coming down  
around me. (the power of love)

It's not the people, (the power of love)  
Where do I begin? (the power of love)  
It must be the power. (the power of love)

Getting under my skin, (getting under my skin)  
Under my skin, under my skin, under my skin, (that  
power of love getting under my skin)  
Getting under my skin, under my skin, under my skin,  
under my skin, (that power of love getting under my  
skin)  
Under my skin, under my skin, under my skin, under  
my skin,  
That power of love getting under my skin.

The power of love, (the power)  
It must be the power of love,  
Power of love, (the power)

The power. (the power of love)

It's not the people, (the power of love)

It's not the place, (the power of love)

It must be the power. (the power of love)

Getting under my skin,

How do I show you?

The power of love,

The power of love,

It must be the power, (the power of love)

Under my skin,

How can I show you? (the power of love)

Show you the power?

The power of love, (power of love)

The power of love.
