Aaaaah

unknown is revealed in all it's glory.
When you go outside you hear the marshmallow cry.
Just like *unknown* always bore me.
Try to make a difference but it's hard to get by.

How would you feel when you're all alone.
Out on the run, and nowhere to belong.

There's a rape going on down in broad daylight.
Everyone in the streets is messing with your mind.
Don't be mad, don't be sad, baby don't be a fool.
Being different is so cool.

Aaah aaaah aaaahhhh aaaahh

Racism is not a different story.
Yes it's my own choice but must it kill me inside.
Turning dancing doors were closed before me.
A thousand suffered rejections make it hard to get by.

How would we be here when we're all the same? (so far
away)
Nothing to lose, now we're nothing to gain.

There's a rape going on down in broad daylight.
Everyone in the streets is messing with your mind.
Don't be mad, don't be sad, baby don't be a fool.
Being different is so cool.

Dreaming on the wings in a different light,
Take me back to childhood, was the sin from me eyes.
aaahhh (for reason)
(Take me to the river where the water makes you warm
and.. Whyyy)
Give it to me just a song for the world,
(Give him a reason to leave to be heard).
And who will be there to see
(who will be there to feel)
No one ever listens in this merry go round

There's a rape (there's a rape now)going on down in
broad daylight.
Everyone in the streets is messing with your mind.
Don't be bad, don't be sad, baby don't be a fool.
Being different is so cool.

There's a rape going on down in broad daylight.
Everyone in the streets is messing with your mind.
Don't be bad, don't be sad, baby don't be a fool(don't
be a fool).
Being different is so, being different is so, being is so
cool.

Piano Aaahh na na na
There's a rape.
Now.
Live it up now (x2)
There's a rape now.
Rape now.

Aaaahh

piano ending
