Country Fried
(VVSmith)

I took a ride
And I know the way
I follow my heart down
To where the Buffalo roam
And the Antelope play
There's no constant supervision
Just a constant state of mind
And I constantly eat my heart out
All the time

Chorus
And I know it's just the way I'm gonna be
I know ya got nothing there for me
'Cause I'm country fried

I play my hand
I plant my seeds
I give it all I got
And I'm only taking back
Just what I need
Ain't got no superstition
I'm in total self control
I stake my reputation
I'm only livin' out what's in my soul

(Ch)
(Bridge)
I'll spend all of my life country fried
I'll spend all of my money for a country life
I'll spend all of my life time country fried
I'll spend all of my money for a country ride
That's just the way it's gonna be
Ya know I got everything I need
That's just the way it's gotta be
I know ya got nothing there for me
Cause I'm country fried
I'm country fried
Cause I'm country fried
I'm country fried
