Showdown
(VVSmith)

High noon's comin' - Got my face in the wind
Fast draw hummin' - Let it begin

(BR)

At twenty paces turn around I've got you right in my
sights
Umhm... Oh it's feelin' alright
Got my six gun on the draw tonight

(CH)

It's a showdown - It's a showdown baby
It's a showdown - It's a showdown girl

I hear my spurs jingle - I'm a facin' you down
My trigger finger tingles - Gotta fire that round

(Br-Ch)

I see the writing on the wall I take a step and I start to
fall
I see you're shooting straight for the heart

(Solo)

I've got my six gun on the draw tonight

(Ch)

High noon's comin' - I'm a facin' you down
Fast draw hummin' - Gotta fire that round
