So now im sinking feeling like i did the day to say
goodbye
Caught offgaurd and asking why
Now i am waiting
Small and depressed confusions a mess
And i dont feel like i can take anymore

I dont ever want to feel this again.
I dont know why i even pretend
Theres nothing to comfort me now
I sit here wishing i could bail out .

(so now i) im thinking feeling like i did the day to say
goodbye
Caught offgaurd and asking why
Now i am waiting falling small and depressed
confusions a mess.
Now i dont feel like i can take anymore

I dont ever wanna feel this again
I dont know why i even pretend
Theres nothing here to comfort me now
Im sinking wishing i could bail out.

I dont ever wanna feel this again
I dont know why i even pretend
Theres nothing here to comfort me now
Im sinking wishing i could bail out.

Been threw it
Its so stupid
You come around and i fall back into you.

Then i miss you
Yeah i miss you
Im having thoughts that i wish i woulnt think.

I dont ever wanna feel this again
I dont ever want to loose you as a friend

I dont ever want to feel like this again.

Go threw it
Its so stupid
You come around and i fall back into you .
Now i miss you yeah i miss you
Im having thoughts that i wish i wouldnt think.
I dont ever wanna feel this again
I dont know why i even pretend
Theres nothing here to comfort me now

Im sinking wishing i could bail out.
