"Stupid Scenarios"

when you break down the wall you built
brick brick
year after year
i melt to see your true feelings shine through
and i promise
the wall you built
piece by piece
week after week
will fall
i just hope im there to see when it does

(chorus)
here i sit again
wondering if your okay
making up scenarios in my head
and i always said that i wouldnt be the one
who sat up and made up
scenarios in my head

why is it that everytime
we say goodnight, say goodnight
i cant fight, i cant fight
the feeling
that it might be our last

how is it
that you and i
we learned to love, learned to love
eachother, eachother
so fast

(chorus)

now its after midnight and
the phones asleep
like i should be
yeah now its after midnight and

here i sit again
i'll sing it again

(chorus)

here i sit again wondering if you're ok
and thats when you said that i wouldnt be the one
