woah, woah, woah, woah

the day starts out so rough and slow
but i'll cheer up if i know
that you will be there soon
and i can talk to you

so ill keep hanging on
just hope i wont be gone
when you are out this afternoon

(chorus)

sarah wont you look my way just one more time
you gotta know it makes my day
to see you smile
woah
keep smiling keep smilin, keep smiling sarah
woah
keep smiling, keep smiling for me
woah
keep smilin keep smilin, keep smilin sarah

when i talk you i find
i leave everything behind
just so i can be your boy
it wont be too long now
til you see exactly how i can fall so deep into your eyes

sarah wont you look my way just one more time
you gotta know it makes my day (x3)
to see you smile

(chorus)

when you hear my name
do you feel the same way i feel?
when you hear my name do you feel the same way i
feel

Ah ah ah ah

when you hear my name do you feel the same way i
feel
when you hear my name do you feel the same way i
feel

sara wont you look my way just one more time
you gotta know it makes my day
you gotta know it makes my day
gotta know it makes my day to see you smile

(chorus)
