im gunna wash that man right outta my hair
im gunna wash that man right outta my hair
im gunna wash that man right outta my hair
and send him on his way
get the picture!

shes gunna wave that man right outta her arms
shes gunna wave that man right outta her arms
shes gunna wave that man right outta her arms
and send him on his way!!!

dont try to patch it up
tear it up tear it up
wash him out dry him out
push him out fly him out
cancel him and let him go
yer sister!

shes gunna wash that man right outta her hair
shes gunna wash that man right outta her hair
shes gunna wash that man right outta her hair
and send him on his way

if your man dont understand you
if you fly on seperate beams
waste no time make a change
scrub that man right off your range
rub him outta the rollercoat
and drum him outta your dreams
oh no!!!!
oh no!!!!

i went an washed that man right outta my hair
i went an washed that man right outta my hair
i went an washed that man right outta my hair
and send him on his way

she went an washed that man right outta her hair
she went an washed that man right outta her hair
she went an washed that man right outta her hair
AND SEND..HIM..ON..HIS WAY!!!!!!!!!!
