You, doing that thing you do
Breaking my heart into a million pieces,
like you always do
And you, don't mean to be cruel
You never even knew about the heartache
IÂ've been goin' through

Well, I try and try to forget you girl
but it's just so hard to do
Every time you do that thing you do

And I, know all the games you play
And i'm gonna find a way to let you know that
YouÂ'll be mine someday
Cause we, could be happy, can't you see
If you'd only let me be the one to hold you,
and keep you here with me

Well, i try and try to forget you girl
but it's just so hard to do
Every time you do that thing you do

I don't ask a lot girl
But I know one thing's for sure
ItÂ's the love I haven't got girl
And I just can't take it anymore....

Cause we, could be happy, can't you see
If you'd only let me be the one to hold you,
and keep you here with me

Cause it hurts me so just to see you go,
around with someone new
And if i know you, you're doin' that thing
Every day, just doing that thing
I can't take you doing that thing you do
