Some are born to lose their heads  
And some are born to use them  
And some will never know their ends  
And some are born to choose them

Don't you let your fantasies  
Be blinded by the light  
You don't have to save your  
Wildest dreams for the night

Don't hold back, don't hold back  
Don't hold back, reach out  
Touch the sky with your mind's eye  
Don't be afraid to reach out

Some you wind and some you lose  
And some will bring you sorrow  
And some are born to lead the rest  
And some are born to follow

Don't rely on miracles  
To open any door  
And don't your let a shadow  
Be your guide anymore

Don't hold back, don't hold back  
Don't hold back, reach out  
Touch the sky with your mind's eye  
Don't be afraid to reach out

Ride the wave of destiny  
Rise above the crest  
And believe everything that happens  
To you happens for the best

Don't allow the world of men  
To turn your head no more  
'Cause if you can't let yourself go  
What are you saving yourself for?

Don't hold back, don't hold back  
Don't hold back, reach out

Touch the sky with your mind's eye  
Don't be afraid to reach out

Don't you let your fantasies  
Be blinded by the light  
For you don't have to save your  
Wildest dreams for the night

Don't hold back, don't hold back  
Don't hold back, reach out  
Touch the sky with your mind's eye  
Don't be afraid to reach out

Touch the sky with your mind's eye  
Don't be afraid to reach out  
Touch the sky with your mind's eye  
Don't be afraid to reach out
