Another passenger, your baggage, thank you sir  
I don't wanna go  
What am I doing here? I feel so sick with fear  
God, don't let it show

I must control myself  
You must control me too

Cover my eyes 'cause I'm so high  
I can't look down  
I'm scared to fly and I'm so high  
I can't look down

They say they'll care for me but I would rather be  
Both feet on the ground  
What if the engine dies? These are no friendly skies  
My head's spinning round

It's all a twist of fate  
But it's myself I hate

Cover my eyes 'cause I'm so high  
I can't look down  
Afraid to fly and I'm so high  
I can't look down

I must control myself  
You must control me too

Cover my eyes 'cause I'm so high  
I can't look down  
Afraid to fly and I'm so high  
I can't look down

Cover my eyes 'cause I'm so high  
I can't look down  
Afraid to fly and I'm so high  
I can't look down

I can't look down  
I can't look down  
I can't look down
