You don't fool me with your tinted eyes and make-up  
The fire bird hides in shadow when you wake up  
Your golden hair is black, your jeans are tight but your  
hide is slack  
Try it on the company but you don't fool me

Well, I'd rather be a man than play my role like you do  
I'd rather be a man than sin my soul like you do  
I'd rather be a man than slave the way that you do  
I'd rather be a man 'cause a man don't crawl like you  
do

You don't fool me with your easy lies and fables  
You won't see me in ten buck furs and sables  
You sparkle like a snake, the wine is real but the glass  
if fake  
Blame it on the apple tree but you don't fool me

Well, I'd rather be a man than play my role like you do  
I'd rather be a man than sin my soul like you do  
Well, I'd rather be a man than slave the way that you do  
I'd rather be a man 'cause a man don't crawl like you  
do

Your golden hair is black, your jeans are tight but your  
hide is slack  
Try it on the company but you don't fool me

Well, I'd rather be a man than play my role like you do  
I'd rather be a man than sin my soul like you do  
Well, I'd rather be a man than slave the way that you do  
I'd rather be a man 'cause a man don't crawl like you  
do

I'd rather be a man 'cause a man don't crawl like you  
I'd rather be a man 'cause I wouldn't wanna be like you
