Yea yea  
Ha ha ha  
Ooh

Waitin' till the sun goes down  
Shadows walk in the night  
Livin' in a fantasy in and out of dreams  
Nothin' is the way it seems

Let me go home  
I had a bad night leave me alone  
Let me go home  
I've had a hard time being on my own

Every way I turn my eyes  
Shadows pass in the night, uhh  
Haunted by reality livin' out of dreams  
Nothin' is the way it seems

Let me go home  
I've had a bad night leave me alone  
Let me go home  
I've had a hard time being on my own

I'm waitin' till the sun goes down  
Shadows talk in the night, huh  
Living out a fantasy slippin' into dreams  
Nothin' is the way it seems

Let me go home  
I've had a bad night leave me alone  
Let me go home  
I've had a hard time being on my own

Let me go home  
I've had a bad night leave me alone  
Let me go home  
I've had a hard night, yea ooh

Let me go home  
I've had a bad night leave me alone  
Let me go home
