Money don't grow on a money tree
The more you take, even less for me
Money don't buy what you really need
It make an iceman cry, make a stone man bleed

But when you get right down to it, no matter who you
are
It rules your life like a virgin queen
One day you might get over it but in the meantime
It rules the world like a green machine

In the bank, in a box, money talks
In the black, on the rocks, money talks, money talks

Money don't lose in the money game
It drags you down like a ball and chain
So money don't come with a guarantee
It make a fool of you, it make a fool of me

But when you get right down to it, no matter what you
say
It ties you down but it can set you free, yeah
Some day you might get over it but in the meantime
It burns you up in the first degree

Moscow, Bangkok, money talk
Park Lane, Boardwalk, money talk

But when you get right down to it, no matter what you
try
You deal the cards, give the wheel a spin
One day you might get over it but everybody knows
It's heads you lose and it's tails they win, yeah

Don't have too much to show for it, that's the way it
goes
You roll the dice and they cash you in

Pinball, jukebox, money talks
Redskins, White Sox, money talks
Billboard, cash box, money talks
