Out of the blue  
I come sailing  
Through the years  
Through the years

What do I do?  
Now that I've seen  
All our hopes  
And all of our fears

And I'm riding a lonely highway  
I'm the man from out of the blue  
Yes, I'm riding a lonely highway  
I'm the man from out of the blue

I travel far  
Yet no distance  
I'm still here  
Always here

So follow the call  
To our senses  
Still there's hope  
Behind the fear

And I'm riding a lonely highway  
'Cause I'm the man from out of the blue

And I'm riding a lonely highway  
I'm the man from out of the blue  
Yes, I'm riding a lonely highway  
I'm the man from out of the blue  
Out of the blue
