Tell you 'bout a dream that I have every night
Tell you 'bout a dream that I have every night
It ain't Kodachrome and it isn't black and white
Take me for a fool if you feel that's right

I'm never on my own but there's nobody in sight
I don't know why I'm scared of the lightning

Trying to reach me
'Cause I can't turn to the left or the right
I'm too scared to run and I'm too weak to fight
'Cause I don't care, it's all psychobabble rap to me

Psychobabble

Tell you 'bout a dream that I have every night
It's in Dolby stereo but I never hear it right
Take me for a fool well if you feel that's alright
Well, I see the way to go but there isn't any light

I don't know why I'm scared of the lightning

Trying to reach me
Help me to find what I don't wanna know
You're taking me there but I don't wanna go
'Cause I don't care, it's all psychobabble rap to me

Psychobabble, all psychobabble
Psychobabble, all psychobabble
I don't care, it's all psychobabble rap to me

You're readin' my mind, you won't look in my eyes
You say, I do things that I don't realize
I don't care, it's all psychobabble rap to me

Psychobabble, all psychobabble
Psychobabble, all psychobabble

You're lighting a scene that's faded to black
I threw it away 'cause I don't want it back
I don't care, it's all psychobabble rap
