Just what you need to make you feel better  
Just what you need to make you feel  
Just what you need to make you feel better  
Just what you need to make you feel

At the far end of your tether  
And your thoughts won't fit together  
So you sleep light or whatever  
And the night goes on forever

Then your mind change like the weather  
You're in need of Doctor Tarr and Professor Fether

Just what you need to make you feel better  
Just what you need to make you feel  
Just what you need to make you feel better  
Just what you need to make you feel

Even clouds seem bright and breezy  
'Cause the livin' is free and easy  
See the rat race in a new way  
Like you're walkin' up to a new day

It's a wise thing if you're clever  
Take a lead from Doctor Tarr and Professor Fether

Find the end of the rainbow  
Fly wherever the winds blow  
Laugh at life like a sideshow  
Just what you need to make you feel better

Just what you need to make you feel better  
Just what you need to make you feel  
Just what you need to make you feel better  
Just what you need to make you feel

Satisfaction altogether  
Guaranteed by Doctor Tarr and Professor Fether

Find the end of the rainbow  
Fly wherever the winds blow

Laugh at life like a sideshow  
Just what you need to make you feel better

Don't stop bringin' the girls 'round  
Don't start havin' a showdown  
Keep on handin' the jug round  
All that you need is wine and good company

Just what you need to make you feel better  
Just what you need to make you feel  
Just what you need to make you feel better  
Just what you need to make you feel
