Watch me closely, catch my eye  
If you do I beg you to remind me  
Who is stronger, who is weak of those who seek  
And don't know where to find me

Ask me, "Why?" and I don't know  
Ask me, "Why?" and I say  
"Now you see me, now you don't"  
I thought by now you'd learn  
You're gonna get your fingers burned  
You know you gonna get burned  
You get your fingers burned  
You know you gonna get burned

Watch me closely, understand  
That what you see is only an illusion  
If I'm wrong and you are right  
Then I will light your darkness with confusion

Ask me, "Why?", I don't know  
You ask me, "Why?" and I say  
"Chances are, you're playin' with fire"  
I thought by now you'd learn  
You're gonna get your fingers burned  
You're gonna get your fingers burned  
You know you're gonna get burned

Watch me closely, be aware  
That all I do is only to surprise you  
And every move is sleight of hand  
And every word is planned to mystify you

Ask me, "Why?", I don't know  
Ask me, "Why?" and I say  
"Don't get fooled a second time"  
I thought by now you'd learn  
You're gonna get your fingers burned

You know you're gonna get  
You know you're gonna get  
You know you're gonna get burned
