[Verse 1]

There is shelter underneath your wing
A fortress won't be shaken.
There is refuge in the tower
That is higher than I.
A fortress won't be shaken.
There is refuge in the tower
That is higher than I.

[Pre-Chorus]

And I tried to do justice
And to love mercy.
I want to walk humbly with my God

[Chorus]

Hope will keep you warm a little longer
and Faith won't leave you gone,
It makes you stronger.
Love will find you
Love will find you
Yeah

[Verse 2]

The broken run and seem so alone.
There's a hand to hold that never lets go.
but Hope replaces tears
and our hearts will see God
Glorify

[Pre-Chorus]

And I tried to do justice
And to love mercy.
I want to walk humbly with my God

[Chorus]

Hope will keep you warm a little longer
and Faith won't leave you gone,
It makes you stronger.
Love will find you
Love will find you

[Bridge]

To love Him
To know Him
is to go where He sends us, to go.
To love Him
To know Him
is to go!

[Pre-Chorus]
And I tried to justice
And to love mercy
I want to walk humbly with my God.

[Chorus]
Hope will keep you warm a little longer
and Faith won't leave you gone,
It makes you stronger.
Love will find you
Love will find you
Hope will keep you warm a little longer
and Faith won't leave you gone,
It makes you stronger.
Love will find you
Love will find you
Yeah
To find you!
Wherever you are!
Wherever you've been!
Wherever you're going!
Love will find you.
