The priest went berserk
Sodomizing his recently baptized daughter
Vehemently tearing her rectum
Fecal matter dripping from the anal slaughter
His implements of torture
Dismantle the object of purity
Speaker of the gospel
Anxious to relieve his daughters virginity
Immaculate conception
Gods henchman satisfying his innermost needs
Towards a child I conceived (he said),
"I shall do as I please!"
Upon the altar
Now desecrated with blasphemy
The defier of Jesus
Laps blood from her pussy
Burnt offerings
Saturated in sacrilege
Pedophile experimentation
Combined with incest
Drained of here precious blood
The priest removes shit from her large intestine
Investigating the putrecence and crud
Feasting on what remains of here incomplete digestion
A mass of innards
Splayed upon the floor
Removed by hand from each entrance
Of the disemboweled whore
With stiffened member
The sadist deep throats her severed head
Reaching climax violently
Semen ejected upon the dead
Pounding each limb with an axe
Into unrecognizable matter
Mutilating with vicious attack
Butchering the carcass with a hammer
